Eligibility: The technical exhibit area products and services are related to the healthcare field. MOLN reserves the right to reject applications for exhibit space from those exhibitors whose products or services do not meet this criterion.

Exhibitor Representatives: The exhibitor must provide 1-2 attendant(s) within the exhibit space during the open hours of the Conference. No more than two representatives will be allowed at your booth at any one time unless indicated on this form.

Liability and Security: The exhibitor must surrender space in the same condition as it was at the time of occupation. The exhibitor is responsible for all damage to the exhibit hall, and for any and all claims and demands for injury or damage to property occurring in the exhibitor's booth or because of the acts of the exhibitor, their employees, or contractors. The exhibitor shall indemnify, defend and hold harmless MOLN and the hotel, its owner, its management company, as well as their respective agents, servants and employees from and against liability and claims which may arise from or be assessed in connection with the exhibitor's involvement with the event. The exhibitor must make provisions for safeguarding its goods, materials, equipment, and display.

Subletting Space: The exhibitor may not assign, sublet, or apportion to others the whole or any part of the space allocated. No more than one company per exhibit booth will be allowed. Exhibitor Conduct: The general rule of the exhibit floor is to be a good neighbor. No exhibits will be permitted which interfere with the use of other exhibits or impede access to them or impede the free use of the aisle. Booth personnel, including product/device demonstrators, are required to confine their activities within the exhibitor's booth space. Canvassing or distributing or advertising outside the exhibitor's own booth will not be permitted.
